

LET'S GO ON A BOOK ADVENTURE!

Dear Parents,

Book Adventure is a **FREE** online reading motivation program for children in grades K-8. Children create their own book lists from over 7,000 recommended titles. They will then print their book list and go to the public library to check them out. After reading the story, log-on to <http://www.bookadventure.org/> . Your child will then take a multiple choice quiz on the book, and earn points and prizes for their literary successes.

Here's how you can sign your child up for the **BOOK ADVENTURE**:

- Register child: click on register now (New Users) in top left hand corner of screen
- Click on Kids Register, then on the next page click on A+ Home
- After registering your child, click on Continue to Kid's Zone!
- Click on Read Book Finder
- Choose the grade level and types of books that are of interest to your child, then click on submit
- Click on print and take your list to the Brimfield Public Library to check out a book
- After reading the book, log on to Book Adventure, click on Quiz-O-Matic
- Type in the name of the book and then you are ready to take a test on the computer
