Dear Friend,

Please join my Summer Reading Club! I have seen first-hand the impact that reading can have on a young person's life and I encourage all children to read each and every day.

Reading is a wonderful way to develop artistic skills, intellect and most importantly, imagination. Participating in the Summer Reading Club is an easy way to build interest in the exciting and adventurous world of literature.

Sincerely,

Aaron Schock
Congressman
Illinois

JOIN TODAY AARON SCHOCK'S SUMMER READING CLUB

- Congressman Schock's Summer Reading Club challenges K through 8th graders to read 15 books of their own choosing during their summer break.
- Once the student completes the reading, Congressman Schock asks that they fill out the form, have a parent, guardian or family member attest to their reading accomplishments and return it to Congressman Schock's district office.

The deadline for completion of the club's program is August 5th.

- Once Congressman Schock's office collects all of the forms, the children who have successfully completed the program will be invited to a celebration with ice cream and swimming, hosted by Congressman Schock in August.

Also available through Congressman Schock's office is information about Bright Start and College Illinois.
