

These assessments are administered in the Fall, Winter, and Spring of each school year. These reports are designed to provide a snapshot of student achievement in the areas of literacy. This is similar to visiting the doctor for a wellness check. The green box on the reports indicates the average range for Brimfield students at that grade level. The blue dot indicates your child's score. The following key explains many of the acronyms found on the reports.

Literacy Measures:

LNF = Letter Naming Fluency (letters named correctly in one minute)

LSF = Letter Sound Fluency (letters sounded out correctly in one minute)

PSF = Phoneme Segmentation Fluency (students say the sound in words presented orally by the teacher for one minute)

NWF = Nonsense Word Fluency (students identify and say the sounds in non-real words for one minute)

R-CBM = Oral Reading Fluency (words read correctly in one minute)

Maze = Reading Comprehension (three minute timed reading where every 7th word is omitted and a choice of three words is given)

- 📖 2nd – 8th grade students are assessed only in R-CBM and Maze
- 📖 1st grade students are assessed in LNF, LSF, PSF, NWF, and R-CBM at some point in the school year.
- 📖 Kindergarten students are assessed in LNF, LSF, PSF, and NWF only.
