

What Is So Great About Being Part Of B/E Baseball?

The Brimfield-Elmwood COOP baseball program has seen its share of success over the last 10 years. The success begins with great effort from players and coaches in the Brimfield and Elmwood Jr. High programs. Brimfield Jr High has recently captured their second, in the last four years, trip to state. This has made it six in the last ten years. Regional champs have been claimed seven times over the same stretch. Wow! Imagine what we will do in the next 10. What this has done is create the makings of a very successful high school program.
