Dear Parents,

Brimfield Community Unit School District will be implementing a Parent Notification System beginning in the 2009-2010 school year. This system will enable us to provide a timely communication of emergency and weather situations.

We have the capabilities of adding more than one phone number into the system, if families would like to receive duplicate phone calls (i.e. cell phones, work phones, etc.)

Please complete the information below and return to the school's office by May 22<sup>nd</sup>. If we do not receive a form back, your home number that is on file will be used as the primary number. **Please be assured that this is our own data base, and your phone numbers will stay within our school records.**

Child(ren's) Names:

If you would like to only receive one phone call per household, please list one number in the primary number.

Sincerely,

Dennis McNamara  
Superintendent
